Piper's Pal Original Stackable Tray Recharge Instructions

1. Remove contents of bottom 2 trays of Piper's and dispose of in garbage.
2. Disassemble all trays and wash in warm, soapy water. Rinse and dry.
3. Place contents of Package "A" in bottom tray.
4. Screw second tray on top of bottom tray.
5. Separate cotton wool into 2 halves. Place 1 half on bottom of second tray.
6. Place contents of Package "B" on top of cotton wool.
7. Place remaining half of cotton wool on top of package "B".
8. Assemble remaining trays.
9. Unscrew bottom tray and add **1 tablespoon (15ml)** of water.
10. Let stand in an upright position until all water is absorbed.

Your Piper's Pal is now ready for use.

**Original Piper's Pal
(no longer in production)**
